Hello Mary and Maeve ---

Please find attached TechLaw's review of the above mentioned document. Note that I sent the deliverable over in TL's format as well as text only format. Maeve, Mary request the text only format to facilitate creating the EPA letter head comments. If you have other preferences, please let me know.

Call with any questions.

Best regards,
Indira

BCT Members

Please find attached a tech memo and related RTCs outlining details of the Spring 2017 basewide groundwater monitoring event at GAFB. Just FYI...I'm still fighting the tail end of pneumonia, but should be relatively reachable if you have any questions.

Regards

Chris
